The **Lassaneia** are cultural in nature and are now a colorful mosaic, a treasure of cultural tradition and contemporary artistic creation.

The program Lassaneion, apart from hosting professional artistic shapes, moving in two directions.

The promotion of our cultural identity and heritage by recording and viewing them. The program that was implemented last summer on "Tsiartsiampas: The Place and the People," continues our partnership with the Center of Greek Folklore Research Academy of Athens with a workshop on the popular culture of the region of Kozani.
